

BIG BUCK Safari

Also available in Deluxe LCD screen format

The #1 hunting game has just gone wild!

From the imaginations at Play Mechanix and Raw Thrills comes Safari – an all new, action packed hunting game that brings new and exciting challenges to players and increased earning potential to operators.

Safari™ puts players on a Big-Game Hunting Safari across the Dark Continent of Africa. Players will experience 15 unique hunting treks stretching from desert dunes through grassy savannas to the lush jungles in search of Big Game. Hunt internationally-known antlered species including Gemsbok, Kudu, Sable, Cape Buffalo and Wildebeest. Players will find the same time proven and successful play mechanic found in Big Buck Hunter Pro, with several All-New features for increased fun and excitement.

Safari offers 8 unique Trophy Animals for added scoring! Now you can hunt the world's ultimate trophies, including Lions, Rhinos, Elephants, Panthers, Leopards, Giraffes, Zebras, and Hippos. Shooting these in addition to the antlered species can raise scores significantly.

In Safari players will find several new critters to hunt including Meerkats, Chameleons, Frogs, Hyenas, Warthogs and Spiders just to name a few. Add 15 all new bonus rounds and you've got a recipe for wild game success!

More animals, more shooting, more game means more earning potential! With its high-definition scenery and compelling game play, Safari promises to take players on the wildest hunt yet with each and every play.

All New Critter report shows players which critters have been taken and which have not.

Stylish new cabinet design features a printed plastic bezel for added attraction.
